ANUJ KUMAWAT

BCA Student | Aspiring Web & Software Developer

+91 8114466562 | kumawatanuj101280@gmail.com | Jaipur, Rajasthan

PROFESSIONAL SUMMARY

Motivated BCA student with a strong foundation in programming (C, C++, Java), databases (SQL) and front-end web development (HTML, CSS, JavaScript). Hands-on experience through a personal portfolio website and a Student Result Management System currently in development, along with design skills in Canva and Adobe Photoshop. Presently undergoing professional software development training and seeking an entry-level IT role or internship.

TECHNICAL SKILLS

Programming Languages: C, C++, Java

Web Development: HTML, CSS, JavaScript

Databases: SQL, Relational Database Concepts

Design Tools: Adobe Photoshop, Canva

Office Tools: MS Excel, MS PowerPoint

Core Subjects: Object-Oriented Programming (OOPs), Database Architecture

TRAINING

Software Development Training | Ignite Future Skill Academy *Ongoing*

- Undergoing hands-on software development training to strengthen core programming, coding and problem-solving skills.
- Practising coding and debugging, and building small projects with guidance from mentors.

PROJECTS

Personal Portfolio Website | HTML, CSS, JavaScript *Completed*

- Designed and developed my own portfolio website from scratch to showcase my skills, projects and contact details.
- Used HTML for page structure, CSS for styling and layout, and JavaScript to add interactivity.

Student Result Management System | In Progress *Ongoing*

- Developing a system to store student records and manage examination results in an organised way.
- Applying database concepts, SQL and programming fundamentals learned during my BCA coursework.

EDUCATION

Bachelor of Computer Applications (BCA) *Expected Graduation: 2027*

SS Jain Subodh PG College, Jaipur

- Currently in Final year
- CGPA: **7.8** (1st Year) | **7.6** (2nd Year)

ACADEMIC LEARNING & PRACTICE

- **Programming Practice:** Solved logic and syntax-based coding exercises in C, C++ and Java.
- **Database Practice:** Wrote SQL queries to practise core database concepts.
- **Web Development:** Built structured, styled and interactive web pages using HTML, CSS and JavaScript.

SOFT SKILLS

Communication • Problem-Solving • Teamwork • Quick Learner

INTERESTS

Software Development • Learning New Technologies • Digital Arts
